The parties intend to be legally bound to the following terms:

I. DUTIES AND RESPONSIBILITIES OF THE UNIVERSITY

Selected students must have the appropriate educational background and skills consistent with the contemplated practicum or internship offered by the School District/Agency.

   b. Education of Students. The University shall provide bi-weekly on campus supervisory practicum or internship meetings to discuss issues associated with school psychology practices and assist the student in the planning and implementation of relevant activities.

   c. Services. The University shall place Justin Byron in the District/Agency. The student will provide services (4 days per week) in concert with the District/Agency’s academic year calendar, and consistent with the training goals of the School Psychology Program.

The student shall be advised of his or her obligations to abide by the policies and procedures of the School District/Agency and should any student fail to abide by any policy and/or procedure, after consultation with the University Faculty Advisor, he or she may be excluded from the placement.

   e. Liability Insurance. The School District/Agency understands that the University, as an agency of the State of Connecticut, is self-insured. Thus liability insurance is not required. Any claims against the University shall be filed with the Claims Commissioner pursuant to Chapter 53 of the Connecticut General Statutes.

II. DUTIES AND RESPONSIBILITIES OF SCHOOL DISTRICT/AGENCY

h. Student Records. The School District/Agency shall protect the confidentiality of student records as dictated by the Family Educational Rights and Privacy Act (FERPA) and shall release no information absent written consent of the student unless required to do so by law or as dictated by the terms of this Agreement.

**III. MUTUAL TERMS AND CONDITIONS**

a. Number of Participating Students. The parties will mutually agree upon the number of students that shall be assigned to the School District/Agency for the practicum or internship.

b. Goals and Planned Activities. The School District/Agency and the University are co-responsible for planning the student’s activities. Such activities shall be designed to enhance the development of competencies and professionalism relative to the training goals of the school psychology program. The School District/Agency and the University shall furthermore ensure that the practicum or internship allows the student sufficient opportunities to integrate theory, course work, and research, in an applied supervised setting.

c. Administration. The School District/Agency and the University will share authority and control over the student services.
